Xin cảm ơn Cô Phúc - Cô là giáo viên tốt nhất!
Em rất vui em học tiếng Việt với Cô Phúc. Em rất thích nói chuyện với Cô Phúc về du lịch và lịch sử Việt Nam. Cô Phúc và em có rất hạnh phúc khi đi chợ Lớn, chợ Hòa Bình và ăn chè, "dim sum" và "fried potatoes". Nếu em có một năm nữa ở Việt Nam và được tiếp tục học với Cô Phúc, thì em được nói tiếng Việt rất tốt. Xin cảm ơn Cô Phúc và VLS - dịch vụ giỏi quá! Em sẽ rất nhớ VLS và cô Phúc rất nhiều. Chúc bạn sức khỏe và hạnh phúc!

Tiếng Việt của tôi đã tiến bộ lên rất nhiều. Bây giờ khả năng tiếng Việt của tôi có thể giúp nhân viên Hàn Quốc mới ở công ty tôi ký hợp đồng thuê nhà và có thể nói với bạn Việt Nam một tiếng qua điện thoại. Cảm ơn VLS vì tôi có thể có nhiều kỷ niệm vui và gặp được nhiều người tốt bụng,altimore ở VLS!

Personally, I find Vietnamese a tough language to study but VLS’s individually focused and flexible training approach has really opened a door for me into Vietnamese society. Whether chatting with a taxi driver, discovering the age of a Cholon temple or injecting some levity into the work meeting, even basic Vietnamese languages skills add tremendously to your time in Vietnam.

Minh muốn viết là mình đã học nhiều ở VLS. Phương pháp ở VLS giỏi quá. Ha, ha, ha. That said, in a short time VLS improved my Vietnamese from a beginner to new intermediate. Any feelings are purely on my part as they have always been professional and encouraging. I've recommended VLS to many people of whom about 10 decided to also join. All of them have also said that they've really enjoyed their time here and found it incredibly useful. Thanks to everyone at VLS for pushing my Vietnamese to the next level.
“The quality of education here is one-of-a-kind and the school has far exceeded my expectations. Through the dynamic teaching lessons and interactive teachers and staff, my experience in Vietnam has been truly enhanced. I cannot believe how efficient and effective my time has been here. VLS is the best.”
